The Fernie Nordic Society wishes you and your family a great summer.

The AGM was held on Sunday July 10. More details of the activities will be in the next newsletter. A few volunteers have started to clean the long grasses off the trails at the Nordic Centre. Each director presented an update of their activities during the year. A new director of Membership was elected and the budget for the year starting on June 1st was adopted. Our August newsletter will have more details and photos of the events.

Mellow Mountain Rangers Summer Hikes

Thanks to all of you who have been able to join us in between your comings and goings, visitors, families, golf and so much more!

We've had some good hikes when the weather has permitted. Now that the heat of summer is with us for a while, the group consensus today was that we stay with Wednesday mornings, meeting at 10:30. They felt that Fridays tend to become busy with weekend plans. These hikes are open to any members aged 50+. [Contact Joy](#) if you'd like to join us.

Micheline's wish was for me to take pictures of our hikes while she was travelling. Unfortunately, it is obvious from the few that have been included that this rarely happened. Guess what she did first thing this morning? Lined us up and took the group picture as we headed out for Gorby trailhead.

I look forward to doing some more hiking with you as the summer unfolds.
